

LAFCO MEETING: June 7, 2017

TO: LAFCO

FROM: Neelima Palacherla, Executive Officer

SUBJECT: FINAL LAFCO BUDGET FOR FISCAL YEAR 2018

STAFF RECOMMENDATION

1. Adopt the Final Budget for Fiscal Year 2017-2018. (Attachment A)
2. Find that the Final LAFCO Budget for Fiscal Year 2018 is expected to be adequate to allow the Commission to fulfill its statutory responsibilities.
3. Authorize staff to transmit the Final LAFCO Budget adopted by the Commission including the estimated agency costs to the cities, the special districts, the County, the Cities Association and the Special Districts Association.
4. Direct the County Auditor–Controller to apportion LAFCO costs to the cities; to the special districts; and to the County; and to collect payment pursuant to Government Code §56381.

NO CHANGES TO THE DRAFT / PRELIMINARY BUDGET

The Commission on April 12, 2017, adopted LAFCO’s preliminary budget for Fiscal Year 2017-2018. No substantive changes are recommended to the preliminary budget adopted by the commission. As requested, a separate line item for Rent / Lease has been added and the budgeted rent amount has been transferred to it from the Office Expense line item.

BACKGROUND

The Cortese Knox Hertzberg Local Government Reorganization Act of 2000 (CKH Act) requires LAFCO to annually adopt a draft budget by May 1 and a final budget by June 15 at noticed public hearings. Both the draft and the final budgets are required to be transmitted to the cities, to the special districts and to the County. Government Code §56381(a) establishes that at a minimum, the budget must be equal to that of the previous year unless the Commission finds that reduced staffing or program costs will nevertheless allow it to fulfill its statutory responsibilities. Any unspent funds at the end of the year may be rolled over into the next fiscal year budget. Government Code §56381(c) requires the County Auditor to request payment from the cities, special districts and the County no later than July 1 of each year for the amount each agency owes based on the net operating expenses of the Commission and the actual administrative costs incurred by the Auditor in apportioning costs and requesting payment.

COST APPORTIONMENT TO CITIES, DISTRICTS AND COUNTY

The CKH Act requires LAFCO costs to be split in proportion to the percentage of an agency's representation (excluding the public member) on the Commission. The LAFCO of Santa Clara County is composed of a public member, two County board members, two city council members, and since January 2013 – two special district members. Government Code §56381(b)(1)(A) provides that when independent special districts are seated on LAFCO, the county, cities and districts must each provide a one-third share of LAFCO's operational budget.

Since the City of San Jose has permanent membership on LAFCO, as required by Government Code §56381.6(b), the City of San Jose's share of LAFCO costs must be in the same proportion as its member bears to the total membership on the commission, excluding the public member. Therefore in Santa Clara County, the City of San Jose pays one sixth and the remaining cities pay one sixth of LAFCO's operational costs. Per the CKH Act, the remaining cities' share must be apportioned in proportion to each city's total revenue, as reported in the most recent edition of the Cities Annual Report published by the Controller, as a percentage of the combined city revenues within a county. Each city's share is therefore based on the 2014/2015 Report – which is the most recent edition available.

Government Code Section 56381 provides that the independent special districts' share shall be apportioned in proportion to each district's total revenues as a percentage of the combined total district revenues within a county. The Santa Clara County Special Districts Association (SDA), at its August 13, 2012 meeting, adopted an alternative formula for distributing the independent special districts' share to individual districts. The SDA's agreement requires each district's cost to be based on a fixed percentage of the total independent special districts' share.

The estimated apportionment of LAFCO's FY 2018 costs to the individual cities and districts is included as **Attachment B**. The final costs will be calculated and invoiced to the individual agencies by the County Controller's Office after LAFCO adopts the final budget.
