Acknowledgements

Management Partners would like to acknowledge the staff from the 15 cities, National Aeronautics and Space Administration (NASA) Ames Research Center, Stanford University, and Santa Clara County that provided substantial information for this report. City leadership from all 15 cities, including city managers, finance directors, public works directors, and community development directors, offered valuable insights into their communities.

We also extend our thanks to Santa Clara LAFCO Executive Officer Neelima Palacherla, Analyst Dunia Noel, and Clerk Emmanuel Abello, who provided project direction and review.

Additional thanks to the County Planning Office's GIS Manager Greg Bazhaw and GIS Technician Steve Borgstrom who prepared the various maps (i.e., cities boundaries, disadvantaged unincorporated communities, and unincorporated islands) included in the report.
