**Re: Implementation of the Recommendations of LAFCO's Special Districts
Service Review: Phase 1 and Sphere of Influence Updates**

Dear Ms. Cameron:

As you know, LAFCO recently adopted the Special Districts Service Review: Phase 1 Report for six special districts in Santa Clara County, including the Santa Clara County Lighting Service Area (SCCLSA). The Report is available on the LAFCO Website (www.santaclara.lafco.ca.gov) under "What's New?" The Report identifies several opportunities and includes several recommendations for improving special district services in the county. Specifically, the Report provides recommendations for improving the accountability and transparency of districts through changes in their operations, management, and administration, and recommendations on potential governance structure alternatives, where applicable.

District's Response is Requested

In an effort to follow-up on these recommendations, LAFCO is requesting that SCCLSA:

1. Review the chapter of the Service Review Report pertaining to the District and provide a written response to LAFCO on how the District plans to implement the recommendation(s) presented in the Report and summarized in Attachment A, along with a time-frame for that implementation, and
2. Provide an explanation if the agency does not plan to implement a recommendation.
